September is National Disaster Preparedness Month

The United States Department of Homeland Security is sponsoring the "Ready Campaign" for National Disaster Preparedness Month. During the month of September, Americans are encouraged to take important preparedness steps including: Get a Kit; Make a Plan; Be Informed; and Get Involved.

#1 Basic Emergency Supply Kit

When preparing for a possible emergency, it's best to think first about the basics of survival: fresh water, food, clean air, and warmth.

A Basic Emergency Kit should include:

- Water, 1 gallon per person per day for at least 3 days, for drinking and sanitation
- Food, at least a 3-day supply of non-perishable food
- Battery-powered or hand crank radio
- Flashlight and extra batteries
- First aid kit
- Whistle to signal for help
- Dust mask or handkerchief
- Plastic sheeting and duct tape
- Moist towelettes, garbage bags and plastic ties for personal sanitation
- Wrench or pliers to turn off utilities
- Can opener for food (if kit contains canned food)
- Blanket or sleeping bag
- Local maps
- Personal care needs
- Prescriptions and other medical needs

#2 Make a Plan

Making and practicing a plan is critical to the success of being able to effectively handle different types of emergencies. Personal emergency plans should be written and given to loved ones, caregivers, friends, and other relevant individuals.

A Personal Emergency Plan should include:

- Health information card with a list of medications (including dosage and time taken), allergies, doctor and pharmacy names and numbers, emergency contact person(s), and special equipment or supplies needed.
- Support network with list of names and contact info of relatives, caregivers, friends, neighbors, and others who might be able to assist you in an emergency. Be sure to inform them of your specific needs.
- Plan to shelter in place, if possible, or evacuate as directed.

The IHSS Advisory Committee

The IHSS Advisory Committee provides the Board of Supervisors, the Public Authority, and the IHSS program with advice and recommendations on issues related to in-home supportive services delivery. Members are appointed by the Board of Supervisors. The IHSS Advisory Committee typically **meets on the 4th Monday of each month from 1:00 to 3:30 p.m.** There are no meetings in July, August, November, or December.

There is time set aside on the agenda at the beginning of each meeting for **Public Comment**. This is the time for you to speak up and lend your ideas. Please feel free to call the Public Authority office at 565-5700 for more information.

The Board of Supervisors appointed two new members to the IHSS Advisory Committee on April 8, 2008. Nancy Hall will fill the consumer vacancy and Richard Ruge will serve as one of the community advocates.

The Urgent Substitute Provider Program is available to consumers who already have a regularly scheduled caregiver and need critical services due to the unexpected and temporary absence of a regular provider. This program does not offer respite or vacation coverage.

Urgent means: *not life-threatening situations that require 911 police/EMS.*

The Urgent Substitute Provider Program only covers:

- Personal care requiring non-medical and medical services,
- Nutritional services,
- Provisioning of fuel for heating or cooking,
- Picking up and delivery of critical medications

Extreme Heat - Fact Sheet

Taken from the Centers for Disease Control

Sonoma County has already experienced significant heat this summer and anticipates more hot days ahead. The Centers for Disease Control provided the following information.

Heat Stress - Older adults and people with disabilities are more prone to heat stress. Their bodies may not adjust as well to sudden changes in temperature or may have chronic medical conditions that interfere with normal body responses to heat.

Heat Stroke - is the most serious heat-related illness. It occurs when the body becomes unable to control its temperature. Body temperatures raise to 106°F or higher within 10 to 15 minutes. Heat stroke can cause death or permanent disability if emergency treatment is not provided.

Signs & Symptoms of Heat Stroke include:

- An extremely high body temperature (above 103°F)
- Red, hot, and dry skin (no sweating)
- Rapid, strong pulse
- Throbbing headache
- Dizziness
- Nausea

Preparedness continued from page 1

Emergency Information

Methods of getting your attention vary from community to community. One common method is to broadcast via **emergency radio** and **TV broadcasts**. You might hear a special siren, or get a telephone call, or emergency workers may go door-to-door.

#3 Be Informed

Some of the things you can do to prepare for the unexpected are the same for both a natural or man-made emergency. There are important differences among potential emergencies that will impact the decisions you make and the actions you take. Learn more about the potential emergencies that could happen where you live

Heat Exhaustion is a milder form of heat-related illness that can develop after several days of exposure to high temperatures and inadequate or unbalanced replacement of fluids.

Signs & Symptoms of Heat Exhaustion:

- Heavy sweating
- Paleness
- Muscle cramps
- Tiredness and/or weakness
- Dizziness
- Headache
- Nausea or vomiting
- Fainting
- Skin: cool and moist
- Pulse: fast and weak

Protect Yourself, Relatives & Neighbors

- Drink plenty of cool water
- Avoid alcohol & caffeine beverages
- Take a cool shower, bath, or sponge bath
- Wear light weight & light-colored clothing
- Remain indoors in the heat of the day
- Do not do strenuous activities
- Check on your family and neighbors
- Go to an air conditioned location if possible

For more information visit: www.bt.cdc.gov

and the appropriate way to respond to them. Knowing what to do during an emergency is an important part of being prepared and may make all the difference when seconds count.

#4 Get Involved

After preparing yourself for possible emergencies, take the next step and get involved in preparing your community. Talk to friends, relatives, and neighbors about emergency preparedness. If possible, check into volunteering with the Sonoma County American Red Cross (577-7600) or go to www.arcsm.org.

New Prescription Discount Card Available in Sonoma County

Sonoma County has joined with NACo, the National Association of Counties to bring the NACo prescription drug discount program to our community. NACo, in partnership with CVS/Caremark Rx, offers this program to more than 900 participating counties nationwide.

What is the Sonoma County Rx Drug Discount Program?

The NACo prescription drug program is called “**Sonoma County Rx**” in our county. This program helps consumers save money on their prescriptions that are not covered by insurance. The free cards are available at many distribution sites in the county, and may be used at any participating retail pharmacies in the county. The Sonoma Rx prescription discount card is not insurance.

How Much Will I Save?

The average savings is about 22%. Savings range from 13% to 34%, depending on the medication. **Sonoma County Rx** cardholders can save even more money, up to 50%, by using the mail service for a three-month supply. Discounts are also available for pet prescriptions purchased through retail pharmacies.

Who Is Eligible to Obtain and Use the Card?

The **Sonoma County Rx** prescription discount card is provided free to all residents of Sonoma

County. The entire family can use one card. If you lose your card, just pick up another card from any one of the many distribution sites in the county.

How Much Will I Save?

There are no enrollment fees, no forms to fill out, and no age or income requirements. Just take the card to any participating pharmacy, which is most retail pharmacies in Sonoma County, and receive a discount on the purchase of your prescription. The card covers virtually all commonly prescribed medications. But remember, the discount applies only to prescription medications not covered by your insurance.

Sonoma County Rx Discount Cards are available at Regional Libraries, Senior Centers and many Health Centers in the following locations:

- Cloverdale
- Guerneville
- Healdsburg
- Occidental
- Petaluma
- Rohnert Park - Cotati
- Santa Rosa
- Sebastopol
- Sonoma Valley
- Windsor

You may also pick up a **Sonoma County Rx** card at the following Sonoma County offices located in Santa Rosa:

- Human Services - 2550 Paulin Dr.
- Human Services - 520 Mendocino Ave.
- Family, Youth and Children’s Services - 1747 Copperhill Parkway
- Adult and Aging Services - 3725 Westwind Blvd.
- Public Health - 625 5th Street

The Cost of Medical & Dental Insurance Premiums for Sonoma County's IHSS Caregivers

by Diane Kaljian, Director, Adult and Aging Division

We know that health insurance is important. We want you to know the full cost of medical and dental benefits for IHSS Caregivers. The 606 providers currently receiving medical benefits and the newly enrolling providers from the wait list are aware that the Sonoma County IHSS Public Authority recently changed the medical plan; increased the provider co-share premium; and reduced the number of providers covered by health insurance. These changes were necessary because of the increasing costs for the health insurance plan. Here is the cost breakdown per month:

	<u>TOTAL Premium Paid for Insurance</u>	<u>Share of Premium The County Pays</u>	<u>Share of Premium Caregivers Pay</u>
Medical	\$435.14	\$410.14	\$25.00
Dental	\$ 21.91	\$ 15.91	\$ 6.00

Caregiver Training Opportunities

CALL 565-5700 to Register for Classes

The IHSS Public Authority provides training opportunities to IHSS caregivers and consumers.

Classes are typically held at 3725 Westwind Blvd., Suite 101 in Santa Rosa. Classes are free to all caregivers and consumers.

Note for all classes:

Please plan to be on time. If you are registered for a class and cannot attend, please call 707-565-5700, so someone who may be on the wait list can attend. This also helps us plan for refreshments. *Thank you for your cooperation!*

Reminder for the IHSS Caregivers. There is a cash incentive given to IHSS caregivers who complete each class. **In order to be eligible for the incentive, an IHSS caregiver must:**

- 1. Register for the class at least one week (7 days) before the class is held;**
- 2. Be on time for the class;**
- 3. Stay through the end of the class.**

Continuing Education Units

(CEUs) are available for most classes for those who need to renew their license. The cost is \$8.00 per unit. **Each three-hour class provides 3 CEUs for a total cost of \$24.00.** Cash in the exact amount, or checks are accepted.
